Kuripuni MPS Community Response Plan

This is a living document that contains a list of information created by your community, for your community. It outlines the local resources, facilities, and people that can help in an emergency.

Sharing this information will help everyone in the community understand how to support one another when it matters most.

Document overview

The local resources and ideas outlined in this document were identified during community planning workshops. These were grouped into the categories listed below:

- > Local resources
- > Local vulnerabilities
- > Checking on who and what has been affected
- > Medical assistance
- > Shelter
- > Water
- > Food
- > Animal Welfare
- > For Sanitation refer to Section 5 in the Hub Guide

Community Response Plan and Emergency Hub Guide

This Community Response Plan works alongside the Community Emergency Hub Guide. The Hub Guide provides guidance on how your community can organise and support one another during an emergency. Use the Hub Guide and your Community Response Plan together to organise your community response. You will find

the Hub Guide in the Hub kit along with Hub role lanyards, stationery, a map, an AM/FM radio, and a VHF radio.

Responding as a community

Your community has all the skills, resources, local knowledge and relationships to support one another during an emergency. You can utilise these by working together at your local Community Emergency Hub. Use this document as a starting point for solutions to community needs and your response as a community.

If you are opening a Hub it might pay to think about bringing some basics, such as:

> First aid kits

> Tea, coffee, milk

> Blankets

> Food

> Torches

> Toilet paper

> Batteries

> Buckets

> Radio

> Rubbish bags

> Water

> BBQ/camping cooker

Your Local Council

During a major emergency, your local council will coordinate the response from their Emergency Operations Centre. An Emergency Assistance Centre may also be set up to provide access to government and council support services.

Local

resources

Your community has identified the following local resources that could be useful for various purposes during an emergency.

Ensure you have permission from the facility or resource owner before using.

Places and spaces

- > Catholic Church, 375 Queen St
- > Countdown, corner of Worksop and Queen St (bottles)
- > Hadlow Preparatory School, 68 High Street, Solway, Masterton 5810.
- > Local playgrounds
- > Masterton Primary School, 53 South Road, Solway, Masterton 5810.
- > Memorial Park (Marist Rugby and Sports Association) grounds and grandstand
- > PakNSave, Queen St, Kuripuni

- > REAP House, 340 Queen St offices and meeting rooms
- > The Warehouse Carpark, corner Chapel and Russell St
- > The Warehouse, corner of Chapel and Russell St (bottles)
- > UCOL (Universal College of Learning Wairarapa), 143-159 Chapel St

Groups and networks of people

- > Fire Service
- > Masterton Lions
- > Masterton Rotary
- > Red Cross
- > Salvation Army
- > Wellington Free Ambulance
- > Youth Group Raise Up

Services in the community

- > Cafes at Kuripuni Village
- > Duncan Pharmacy, 445 Queen St
- > Farmlands, 203 Chapel St
- > Gull Petrol, 199 Chapel St
- > Ideal Electrical, 306 Queen St
- > Powershop, 427 Queen St
- > Reap House, 340 Queen St
- > Rosewood Funeral Home, 417 Queen St
- > Salvation Army Store, 3 Renall St

- > South Wairarapa Veterinary Service, 397 Queen St
- > Supporting Families Wairarapa, 323 Queen St
- > Whaiora Medical Centre, 394 Queen St

Infrastructure

- > Gull Petrol, 199 Chapel St
- > PowerShop, 427 Queen S

Local vulnerabilities

Your community has identified the following potential vulnerabilities. These may need further attention or assistance.

Places and spaces

- > NOT in tsunami zone
- > The area has a mix of residential and commercial properties, only one, or, two story buildings.

Groups and networks of people

- > Chanel College, Herbert Street.
- > Chapel St Council Housing Bodmin Flats 182-184 Chapel St, and Truro Flats, 190 Chapel St.
- > Elderly people
- > House bound people
- > Kahurangi All Day Kindergarten, 11 Surrey Street.
- > Mothers with young babies
- > People who are unable to get home

- > People with disabilities in supported accommodation
- > Playcentre children
- > School students
- > St Patrick's School, 132 Chapel St.
- > Stressed & lost pets
- > Wairarapa Village Rest Home, 140 Chapel St.
- > Young people home alone

Services in the community

- > Emergency services likely to very busy
- > Whaiora Medical Centre is within walking distance but will be under pressure

Infrastructure

- > All services likely to be disrupted for weeks
 - o No Electricity
 - o No mains water supply
 - No sewerage network
 - Broken storm water pipes
 - o No telecommunications
 - No internet
 - No banking and eftpos
 - No telecommunications
 - No internet
 - o No banking and eftpos

Checking on people and damage

Everyone in the community is checked on after an emergency – whether it's for rescue and medical assistance, or just basic support and information.

- > Contact everyone in the community as soon as possible.
- > Record and report information on people and damage back to the Hub.
- > Regularly check everyone in the days following the event as people's circumstances may change.

How can you make sure that everywhere has been checked?

- Start with known affected areas or groups that might need extra assistance.
- Draw upon any local lists and knowledge.
- Coordinate a street-by-street, house-by-house check. Use the area maps in the hub.
- Record any information on the impact to the community.
 For example, status of roads, building damage, and peoples unresolved needs.

Report the information back to the Information Coordination person at the Hub.

Staying in contact with people as outlined in task one should be done frequently, as peoples circumstances can change after an event.

If you can't give someone immediate assistance, collect information about their needs and bring that back to the Hub. See if you can find an asnwer to their needs with the resources available in your community.

What groups could be available to walk around the community to check on people and look for damage?

- > Age Concern
- > Community Patrol members
- > Driving Miss Daisy
- > Kids on bikes
- > Lions
- > Neighbourhood Support Groups

- > People who turn up to the Hub to help
- > Rotary
- > Shuttle/Taxi operators
- > Sports Groups at Memorial Park
- > UCOL students

Where should we check first?

- 1. Self 2. Home 3. Neighbours 4. Street 5. Then at the hub check on these priority groups
- > Neighbours
- > Worst affected areas and areas where the hazards/damage are obvious

How would we coordinate this?

- > Assess commission teams to assess in priority order to needs and resources available and then broker people's needs with available resources.
- > Coordinate from the Hub
- > Establish Shifts'
- > Group volunteers with a mix of skills, physical capabilities, and leadership
- > Keep a paper trail at the Hub so we know where has been checked, when. Then we know where needs to be rechecked over time.
- > Meet needs with resources
- > Prioritise needs with resources

- > Review that needs are being met
- > Scope define needs and resources
- > Send teams from hub to check on defined areas, record on Hub Map
- > Source walkie-talkie radios from within the community to help with communications
- > Source what people need for support e.g. bikes, cars.
- > The Hub can set up street maps and coordinate searches, or checks by door knocks
- > Use text messages, if available, to pass information back to the Hub
- > Work with what and who we have at the time.

Medical Assistance

Community members who need medical assistance are directed to medical assistance.

- > Identify and coordinate community resources that can be used to assist and treat the injured.
- > Identify and check on people with day-to-day medical needs.
- > Direct the community to medical providers that are known to be open.
- > Identify and coordinate people in the community with medical skills who can help.

In all life-threatening situations, attempt to contact the emergency services by calling 111.

Injured and sick people should go to the nearest open medical centre first.

People with first aid skills should go to their nearest open medical centre or go to the Hub.

Check on your neighbours and people who may need extra help.

Look after your hygiene - wear gloves when touching body fluids.

Find out if the local medical providers are open and operational so that you can let the community know where to go.

Coordinate transportation for those who are in need and cannot get to the medical centre.

Where are the nearest medical providers?

- > Duncan Pharmacy, 445 Queen St, Kuripuni
- > Masterton Medical Centre, 4 Colombo Rd
- > Wairarapa Hospital, Te Ore Ore Rd, Lansdowne
- > Whaiora Medical Centre, 394 Queen St

Where else could we provide medical assistance if the above facilities are not available?

- > NZ Fire Service
- > Red Cross, 30 Church St
- > Supermarket and The Warehouse First Aid

Who can help provide medical assistance?

- > Caregivers
- > Doctors and Nurses in the community
- > Fire and Emergency New Zealand (FENZ).
- > People with First Aid certificates
- > Red Cross
- > Sports Coaches
- > St John, 167 Dixon St
- > UCOL students
- > Vets and vet nurses

How do we get people to medical assistance or medical assistance to people?

- > Communicate using text messages./ Walkie talkies if available
- > Helicopter could land at Masterton Primary School grounds
- > Use kids on bike as messengers.
- > Vehicles, 4-Wheel Drives, station wagons, scooters, motorbikes.
- > Wheelbarrows, stretchers, shopping trolleys, buggies, strollers.

Where can we get extra supplies?

- > Automobile Association, 221 Queen St
- > Briscoes, 64 Dixon St
- > Countdown, corner Worksop and Queen St
- > First aid kits in businesses, houses and vehicles
- > Hunting and Fishing, 101 Queen St
- > Kathmandu, 211 Queen St
- > King and Henry, 35 Queen St
- > PakNSave, Queen St, Kuripuni
- > The Warehouse, corner Chapel and Russell St

Where are there Defibrillators?

- > KRW Kiwi Recruitment Wairarapa Secure Cabinet, 441 Queen Street, Kuripuni, Masterton 5810. Ph 111 for combination.
- > Kuripuni Tavern, 458 Queen St, Kuripuni, Masterton 5810
- > Lumino The Dentists, 119 Chapel St
- > Masterton Bowling Club, 143 Dixon St
- > Moore Wilson, 120 Dixon St, external cabinet, phone 111 for combination from ambulance communications
- > Skydive Wellington Enter Hood Aerodrome Gate at 177 South Road and veer right.
- > UCOL Reception, 143-159 Chapel St
- > Whaiora Medical Centre, 394 Queen St

Shelter

Ensure everyone in our community has somewhere safe and comfortable to stay.

- > Find places where people can shelter from the weather if they can't stay at home.
- > Find comfortable places where people can rest and sleep.

Small repairs may make homes safe enough to stay in.

If people need to leave their homes, encourage them to take as much bedding as possible.

Encourage people to stay with friends and family if possible. Ask neighbours or others in their street if they have a spare room.

People in the community may have spare beds, air mattresses, and couches available to offer people without a place to stay.

Check gas and electricity supplies are safe to use. Turn gas off at the meter/main if unsure. Turn electricity off at mains/switchboard and water at the toby on the footpath. Leaks including water, should be investigated.

Many people will be able to stay in their own homes, and this is ideal as people are much more comfortable in a home environment. Are there simple repairs that could be done to make a home safe enough for people to stay there.

Youmay have visitors to your community who don't live locally – commuters, shoppers, employees etc. These are the people most likely to need accommodation in your community.

Encourage people to make their spare beds and guest rooms available.

Don't wait for the perfect solution, shelter from the weather is a priority over comfort. Bad weather means the need for shelter is much more urgent than on a warm, sunny day.

Tell the Emergency Operations Centre (through the Communication desk) the number of people who need accommodation.

Who could help make people's homes safe, weatherproof, and comfortable?

- > Handy people/DIYers
- > Local builders, plumbers, electricians, roofers and other trades people
- > Masterton Henley MensShed, Colombo Road

Where can we get resources to make repairs?

- > Farmlands, 203 Chapel St
- > Idea Electrical, 306 Queen St
- > Plumbing World, 421 Queen St
- > The Warehouse, corner of Chapel and Russell St

Where could we get bedding and clothing supplies to keep people warm and comfortable?

- > Chanel Court Backpackers, Herbert Street
- > PakNSave, Queen St
- > People's homes
- > The Warehouse, corner of Chapel and Russell St

What open spaces could accommodate temporary shelter?

- > Copthorne Hotel, High Street, Masterton
- > Encourage people to put up tents in their own back yard or a neighbour's
- > Masterton Intermediate School, 38 Intermediate Street
- > Masterton Primary School,
- > Memorial Park, Dixon Street, Masterton
- > Solway Showgrounds, corner Fleet and York Streets

What facilities could be used for temporary shelter if people can't stay at homes or with friends?

- > Chanel Court Backpackers, Herbert Street.
- > Copthorne Hotel, High Street, Masterton
- > Epiphany Church, High Street, Masterton
- > Hadlow Preparatory School, 68 High Street
- > Harvest Independent Baptist Church, 18 Manchester Street, Masterton
- > Local business warehouses
- > Marist Rugby and Sports Association clubrooms, Dixon St.
- > Masterton Intermediate School, 38 Intermediate Street
- > Masterton Primary School, 53 South Road
- > Motor homes / Caravans/Tents
- > Solway Showgrounds, corner Fleet and York Streets
- > St John Church, 167 Dixon St
- > St Patrick's Catholic Church, 375 Queen St
- > Te Runga Scout Den, 45 Harley Street, Masterton
- > The Lighthouse Church, 23 Intermediate Street

Water

Our community has access to clean water for drinking and water for cooking and hygiene purposes.

- > Ensure everyone knows how to treat drinking water.
- > Coordinate community water sources for drinking, cooking and hygiene.
- > Arrange a place in the community where water can be distributed if needed.

Water reserviours are all around the region but automatically seal if lines are damaged. Technicians must manually attend to the valves. This will take time so look for other sources of water within the community right away.

Some schools and community centres have large water tanks installed. If there is one in your community check to see what their plan is for using the water.

Local streams and open bodies of water are not reliable sources of clean water. Chemical pollution and heavy metal contamination is not removed by boiling water or adding bleach.

Treat any non-bottled water. Boil it if you can, if not use bleach to treat.

BEST CHOICE: BOIL. Boiling water will kill most types of disease-causing organisms. If water is cloudy, filter it through a clean cloth. Boil water for one minute, let it cool, and store it in clean containers with covers.

IF YOU CAN'T BOIL: ADD BLEACH. Bleach will kill some (not all) types of disease-causing organisms. Just like boiling, filter cloudy water though a clean cloth first. Use only regular, unscented, liquid household bleach. Add two drops of bleach per litre of water. Stir well, let stand for 30 minutes before using, then store in clean containers with covers.

Where can we find drinking water?

- > Countdown, corner of Worksop and Queen St (bottles)
- > Home water cylinders
- > Home water tanks
- > PakNSave, Queen St, Kuripuni (bottles)
- > The Warehouse, corner of Chapel and Russell St (bottles)

How do we get water to people who are unable to leave their homes?

- > Carry in bottles, containers, buckets
- > Cars, bikes, scooters, motorbikes
- > Supermarket trolleys, wheelbarrows, buggies, strollers, wheelie bins
- > Volunteers walking or cycling around

Where can we find water for washing and cleaning?

- > Hot water cylinders
- > Rainwater
- > Rivers & Streams
- > Swimming pools
- > Toilet cisterns

What water supplies should be avoided or need treatment before drinking?

- > Grey water
- > Pool water
- > Springs and waterfalls
- > Stagnant water
- > Stream water

What places would be good distribution points?

- > Masterton Primary School
- > The Warehouse carpark, Corner Chapel and Russell Streets, Masterton

Food

People in our community have enough food to sustain them.

- > Organise a way to feed large groups of people who are displaced or do not have food of their own.
- > Coordinate food supplies in the community.

Assist with the coordination of food supplies in the community where necessary.

Encourage people to share food with those who don't have access to it.

Tell people to use foods in the refrigerator first, then those in the freezer, and finally dried goods from the pantry.

Pool community resources to feed everyone

- Street BBQs
- Have places where excess food can be coordinated from

What food suppliers and providers are there?

- > Bin Inn, 333 Queen St
- > Countdown, corner of Worksop and Queen St
- > Fish and Chip Shop,
- > Joes Meat Market, 437 Queen St
- > PakNSave, Queen St, Kuripuni
- > Restaurants and Cafes at Kuripuni
- > The Warehouse, corner of Chapel and Russell St

Where else could we find food?

- > Fridges and freezers
- > Gardens
- > Pantries
- > Volunteers pick up and drop off

How could we organise to feed large groups of people?

- > Café, school, clubrooms and playcentre kitchens
- > Chefs/staff from local cafes
- > Cook together and eat together
- > Set up a volunteer cooking and preparation
- > Use perishable foods first

Where can we get cooking and catering supplies?

- > Church Halls
- > Countdown, corner of Worksop and Queen St
- > Memorial Park, Dixon Street, Masterton
- > PakNSave, Queen St, Kuripuni
- > People's own supply
- > The Warehouse, corner of Chapel and Russell St

How do we get food to people who are unable to leave their homes?

- > Carry in boxes, containers, buckets
- > Cars, bikes, scooters, motorbikes
- > Organise teams to distribute
- > Supermarket trolleys, wheelbarrows, buggies, strollers, wheelie bins
- > Volunteers walking or cycling around

Animal Welfare

Animals in our community have access to medical assistance, shelter, water, and food.

- > Identify and coordinate locations and people for medical assistance for animals
- > Identify locations for animal shelter
- > Identify potential sources of food and water
- > Keep a record of lost and found pets

What animal services are in the area? (e.g., veterinary clinics, animal control, shelters, stock agents, stock truck companies)
