

Business Continuity Plan

Follow the 12 easy steps in the **business continuity planning guide** to help you complete this plan. Your completed plan will identify the essential actions required to ensure your organisation is prepared to get through a disruption. To read the 12 steps, go to **GetPrepared.nz/businesses**.

Your staff:

Potential vulnerabilities or commitments that might impact staff availability after a disruption:

STEP 1

- All staff members have been provided with WREMO's Earthquake Planning Guide and we have had a discussion about personal preparedness.
- Our organisation has emergency supplies and we have set a calendar reminder to restock them once a year.
- Our organisation has next of kin contacts for each staff member located in their personal file.

STEP 2

STEP 10

Back up your records:

Information type	Method	Location

STEP 12

Plan, Prepare and Practise:

- Our staff know **where to evacuate to during a fire.**
- Our staff know to **Drop, Cover and Hold** during an earthquake.
- If our business is located in a tsunami zone, our staff **know where to evacuate to after feeling a long or strong** earthquake.
- Our staff **have Grab'n'Go bags** to assist them in evacuating for a tsunami or walking home after an earthquake.
- Our organisation has **stored water and emergency supplies** and has scheduled an annual stock-take.
- Our **staff have been provided copies of the Earthquake Planning Guide** to ensure they are personally prepared at home.

Scheduled practice dates:

- Date
